

PREVIEW

## Combined Otolaryngology Spring Meeting

**Date:** April 10th – 14th, 2013. **Venue:** JW Marriott, Grande Lakes, Orlando, FL, USA.

The mission of the Combined Otolaryngology Spring Meeting (COSM) is to bring together the membership of the COSM societies, otolaryngology residents, medical students and allied health professionals for the purpose of disseminating the latest cutting edge clinical and basic scientific research. COSM is the premier educational and technology forum for providing the sub-specialties in Otolaryngology – Head and Neck Surgery with an opportunity to improve and expand their knowledge and skills, thereby enhancing the quality of patient care.

PREVIEW

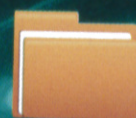

## Cutting Edge Laryngology 2013

**Date:** June 17th-19th, 2013.  
**Venue:** Royal College of Surgeons, London, UK.

Cutting Edge Laryngology 2013 aims to provide a forum where world-class experts in laryngology can meet, educate and exchange ideas. The conference will cover a wide variety of subjects, including airway stenosis, voice, chronic cough and scientific advances. This year we will increase the content on dysphagia and we have dedicated a whole day to paediatric laryngology and airway stenosis.

The meeting will feature some of the leading experts from around the globe, including Professor Martin Birchall, Mr Guri Sandhu, Professor Martin Elliot, Professor Peter Belafsky, Professor Fred Dikkers, Dr Greg Postma, Dr Paul Castellanos and Dr Mike Rutter.
